

## Training to Reinvigorate Your School Council

---

### Aims

- Enthuse participants about the possibilities for student voice in their school.
- For the participants to see themselves as a group that can work together effectively.
- To have a clear set of project outlines for students to take forward.

### Programme

9.00	<b>Introduction</b>	What the day's going to be about, how it's going to work, what people will get out of it.
9.05	<b>Ice-breakers</b>	Getting to feel comfortable with one another by having a laugh together.
9.35	<b>Where are we now?</b>	Reflect on student voice in the school, and what things pupils want to change.
10.40	<b>Break</b>	
11.00	<b>SMART projects</b>	Choosing projects Creating a pitch and a project plan
12.00	<b>Making it happen</b>	Meetings processes Meetings skills Action teams
13.00	<b>Lunch</b>	Canvassing opinion from your peers
14.00	<b>Shout about it</b>	Communicating your success Getting others involved
15.00	<b>Wrapping it up</b>	Conclusions for the day Ensuring everyone knows their personal action plan
15.15	<b>Finish</b>	

*Timings will be adjusted to match your school day.*

*A framework within which projects fall can be agreed (e.g. to link up with the School Development Plan headings).*
